“You Are” is the second single taken from Duffy’s critically high acclaimed Album *I LOVE MY FRIENDS* and with the catchy refrain “You are my guiding star, you are, that’s what you are. You are my shangri-la, you are, that’s where you are” a strong contender for the summer hit 1998. Being a classic piece of straight-ahead guitar pop, “You Are” has already been “Record Of The Week” on XFM, London’s alternative radio station.

The single also contains two non-album tracks: the catchy “Holding Hands With Grace” and the calm “Comedown”. “You Are” is definitely “more than you bargained for!”
