

Wally of the Week

We've decided to reinstate the 'Wally of the Week spot' after a few weeks' absence. And who better to welcome it back than Stephen 'Tintin' Duffy, nominated by Julie-Anne from Ayr.

"This guy is the wimp to end all wimps. He sings like a camel with sinus trouble and he MAKES ME CRINGE!"

Not to put too fine a point on it, eh, Julie? If anyone has that sort of effect on you, write to the Wally of the Week spot at the usual Patches address, and let off steam!
