

DUFFY

PO BOX 2, BROMYARD, HR7 4UU, UK

Dear friends,

Just a quick note to let you know we're playing a couple of shows in your area...

Sunday 3rd September Birmingham Jug Of Ale

Monday 4th September Manchester Hop & Grape (with Pete Wylie's Wah! Now, apparently)

There will be further dates at the end of September and throughout October and we will, of course, keep you posted.

There will also be a third single in October, packed full of bonus tracks, and the album DUFFY is out now (available from all good record stores, as they say).

See you soon

Duffy
